WELCOME

“GO, THEREFORE, AND MAKE DISCIPLES” MATTHEW 28:19

The Argentina branch supports the work of over 165,000 publishers.

What Work Is Done at a Branch Office?

In over 230 lands, more than eight million Witnesses of Jehovah are preaching the good news of God’s Kingdom in response to the commission that Jesus gave his followers. (Matthew 24:14; 28:19, 20) To organize this work, there are more than 80 branch offices worldwide, all serving under the direction of the Governing Body of Jehovah’s Witnesses, located in Warwick, New York, U.S.A.

Branch offices coordinate the Kingdom-preaching work and care for the needs of Jehovah’s Witnesses within a specific geographic area. The Governing Body appoints experienced elders to serve as members of a Branch Committee. As representatives of the Governing Body in their assigned territory, Branch Committee members faithfully carry out the direction coming from God’s Word and “the faithful and discreet slave.”—Matthew 24:45-47.

Translation

Bible truths often reach the heart more quickly when people read Bible-based literature in their mother tongue. Therefore, when the need arises for publications to be translated into additional languages, branch offices make their recommendations to the Governing Body.

Literature and Shipping

Literature and magazine requests from congregations throughout Argentina and Uruguay are processed every month. The Shipping Department sorts the requests and prepares the literature for shipment.

Construction and Maintenance

The branch office is responsible for approving and overseeing the construction of Kingdom Halls and Assembly Halls and for ensuring that existing halls are being maintained properly. Construction is coordinated through the Local Design/Construction Department. Using volunteers to build and maintain facilities results in buildings that are economical, practical, and comfortable.

Support Services

The Argentina branch office could not function without the many dedicated volunteers who work in support services. Some members of the family serve in the kitchen and dining room, while others do laundry, cleaning, housekeeping, sewing, gardening, and driving. Still others maintain the heating, plumbing, electrical, mechanical, and computer systems. But no matter what assignment we receive, it is our pleasure to serve, for we do it out of love for Jehovah God and our brothers and sisters.

Thank You for Visiting!

We sincerely hope that your visit to the Argentina branch office has been a rewarding one. No doubt it has helped you to become better acquainted with the work we are doing to preach the good news about God's Kingdom. May your visit encourage you to learn more about our loving Creator and to live by his righteous standards.—Matthew 6:33.
